Check X if you add picture of teacher/staff member.	

2. **Description for method.**

Method name:	Visual art and film in the classroom
In what subject/s you can adapt this method:	This method can be used for teaching subjects like History, Music, Art, Geography, Biology, Foreign Languages, etc.
General description of the method in a few sentences:	When teaching a certain historical period, cultural era or literary period the teacher can teach the characteristics that are typical for this age and then use art, music and film to illustrate or test students' understanding.
Detailed description of the method:	For example ask students to match the music to the historical period, say which painting doesn't belong to a certain period, or recognize characteristics of a certain period in movies
1.Step	The teacher finds visuals for the specific purposes needed in the classes
2.Step	Uses the multimedia in the classroom to project these short excerpts or videos to the students
3.Step	Sets a set of tasks beforehand so that the general knowledge or the details he or she wants tested to be clear for the students

Riga State Technical School coordinate *Erasmus* + project
"Effective dialogue methods among the millennium generation and the teachers, employers"
Co-funded by the Erasmus+ Programme of the European Union

4.Step (add as many steps as necessary)	Discusses, summarizes or estimates the students' answers.
Example:
